

Spokane Community College

A.A.S. Degree (Multi-Occupational Trades)

Apprenticeship Requirements:

- ◆ Completion of an apprenticeship program of at least 6,000 hours (certified by JATC)
- ◆ Completion of at least 450 hours of related training (certified by JATC)

General Education Requirements

APLED 112	Applied Mathematics	2-5
APLED 121	Applied Written Communication	3
APLED 123	Leadership Skills for Business & Industry	3
APLED 125	Employment Preparation	4

These related education requirements may be met by any course or combination of courses approved for substitution by the instructional dean.

Recommended Electives – One Required (with JATC approval)

BCS 110	Intro to Business Computer Applications	5
MMGT 205	Small Business Planning	5

Recommended electives. Substitutions must approved by the JATC.

For more information please call 533-7178

This program is open only to apprentices enrolled in a local JATC-approved apprenticeship training program. Verification of completion of an apprenticeship program by the JATC is required before submission of the petition for graduation. The combined total of the 22-25 program credits, 6000 OJT hours, and 450 hours of related training will meet the 30-hour residency requirements of A.A.S. degree candidates.
