

Member Discount Program

Exclusively designed for SHBA member companies in the construction trades, the Verizon Wireless discount program affords eligible member businesses a **22%** monthly discount on their cell phone bills. If 90% of your company's revenue is obtained through one of the categories listed, your company qualifies for the program. In addition, once enrolled the program extends an **18%** discount to your employee's personal cell phones. Discount available on plans \$34.99 per month or higher.

Discount is **NOT** available on the \$99.99 unlimited calling plan.
