

## Information provided by

Custom Home Builder, Gordon Finch, is excited to announce the opening of "The Teton," our model home in his newest neighborhood "The Vintage at MeadowWood." The Vintage is located on the 18th fairway at MeadowWood Golf Course and adjacent to the newly remodeled Liberty Lake Golf Course. Gordon has designed three standard floor plans for this neighborhood, and as always, we are happy to revise the plans to fit your needs. Homes for sale start at \$439,900.00.

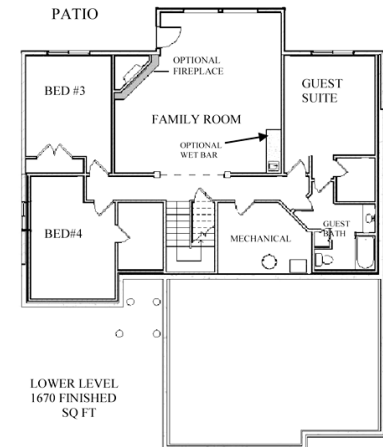

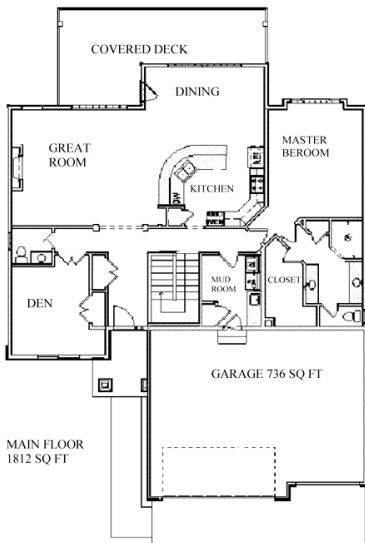

"The Teton" is for sale for \$535,000.00 and has all of the great amenities you would expect to find in a Gordon Finch home: hardwood floors and tile flooring, granite slab and tile countertops, custom cabinetry, stainless steel cooktop, double oven and dishwasher. The great room concept floor plan features main floor living and a vaulted ceiling in the kitchen, dining room and great room. The Teton can also be built with a soaking tub in the master bathroom.

"The Teton" will be open today between 12-3 p.m. Please stop by to meet the builder and learn more about The Vintage, Gordon Finch Homes, Inc., and our design-to-build process.
