Northern Views from Jesse's Bluff

Jesse's Bluff is a beautiful neighborhood on the north side of 5 Mile Prairie. Prime view properties line the ridge with unobstructed views of Mt. Spokane and north. This is your opportunity to visit a custom-designed home by DL Brown Construction.

With careful consideration to the home's location, the design of this daylight rancher takes full advantage of the views on both main floor and walk-out basement. Melding rustic with modern touches, this home features vaulted beam ceilings, wraparound covered deck, a 3+ oversized garage, and a gourmet kitchen with high-end appliances. With 3 bedrooms, 4 bathrooms, and plenty of room to expand, this home is the one you have been waiting for.

Listed at \$575,000, you will not be disappointed!
