Hayden Homes was judged Best Design and won the People's Choice Award in the 2011 Fall Festival of Homes price category \$309,000 to \$364,999.

The 3566-square-foot Riverside is a rancher with an unfinished bonus room and the entertainer's dream home. Under the vaulted ceilings, the living room is sweeping and adjoins the generous dining room. The open kitchen offers a wealth of counter, serving and eating space, and includes a bar area and large pantry. The spacious master suite boasts a luxury bath with an individual shower option adjoining the large walk-in closet plus a second closet in the master bedroom. The two sizeable bedrooms—one of which may be used as an optional den or formal dining room—share a full bathroom. The 1562-square-foot basement may be finished, affording you two extra bedrooms, a family room, storage room, utility closet and full bathroom.
