Lindsey Construction proudly presents the final phase of Shelley Lake, a gated Spokane Valley community with homes ranging in the low \$200's to the mid \$400's. This home is located in the popular Central Valley School District.

Imagine the possibilities this three bedroom Craftsman-style home has to offer. An open floor plan focuses toward a well-placed corner fireplace with a media shelf above.

There is nearly 1,500 square feet on the main floor plus a daylight basement.

Air conditioning, granite countertops, landscaping, hardwood floors, raised panel cabinets are all standards.
