

Information provided by

One Level Luxury Home Living with 1381 sq ft Garage Space

This stunning one-level Northwest Craftsman was built in Legacy Ridge at Liberty Lake by Milionis Homes, a premier elegant homebuilder in the Spokane Area. This featured floor plan has 3675 square feet with 3 to 4 bedrooms and 3.5 baths. The bonus room that can be used as a media room is wired for 7.1 surround sound for family entertainment.

There are heated stone floors in the master bath along with a unique water feature. You can also find the entire home pre-wired for sound which includes exterior decks and the front porch. Additional options for this home are a daylight basement, radiant heat, and residential elevator to the 675 sq ft bonus room.
