

Information provided by

Located at Twin Bridges in the Spokane Valley with majestic views of Mica Peak and the surrounding mountain ranges, this incredible new plan by Condrion Homes offers top-of-the-line upgrades like floor-to-ceiling stone around the fireplace and entertainment center, built-in 42-inch plasma with surround sound throughout the great room and tile flowing from the entryway through the kitchen and dining room. Other special features include solid Beachwood cabinets, granite countertops, central vacuum system and full home security. The master suite offers a full-tile, walk-in shower (not shown in rendering) with double shower heads, tile flooring, walk-in closet and double vanity sinks. The main floor has 3 bedrooms, 2 bathrooms and a laundry room. The total square footage is 3,466, combining the lower level and the main floor, with 1733 square feet finished. This home comes fully landscaped with a vinyl fence in the backyard and a covered deck off the back of the home. The front yard features stamped concrete sidewalk and a rock fountain. This wonderful home is located at 1032 S. Harmony and can be viewed from 12:00 to 4:00 today or call Shane Delaney, 509-879-2683, for an appointment.

Directions: I-90 to Barker Road, 1 mile south of Sprague Avenue/Appleyway Ave. and Barker Road at 11th Ave.
