

Information provided by

EAGLE RIDGE

Plan: The Eagle Crest

Address: 6007 W. Summerwood

Custom 2 story floor plan located on an oversized corner lot with a view in the Estates at Eagle Ridge. Quality Morse Western Homes Construction throughout this 3 bedroom + den and 2.5 bathroom home. Soaring ceilings begin at the front entry and invite you in to the cooks kitchen and stunning great room with gas fireplace. Full unfinished daylight lower level has plenty of room to accommodate bedrooms, a family/rec room and a bathroom.

The Eagle Crest floorplan features a main floor master suite with French doors. The suite has a full bathroom, large walk-in closet, vaulted ceilings and an oversized bedroom space.

Open, light and bright kitchen with granite eating bar, granite countertops, wood flooring, upgraded stainless steel appliances and beautiful cabinetry that looks out to the vaulted great room. The great room has a gas fireplace accented with stone from floor to ceiling. Upgraded wide trim has been used throughout home. Gorgeous wrought iron spindles with stained box newels accent the staircase. Numerous large windows for maximum natural light and views of the valley and greenbelt areas.

Model Home & Spec Homes are open every day Monday-Friday from 9am-5pm and open 10am-5pm Saturday and Sunday.
