

Camden Homes combines the creativity of custom design with the expertise of fine home building. This home, which received multiple awards in the 2009 Fall Festival of Homes, including the People's Choice Awards in its category, is one example of their craftsmanship, excelling in function and beauty. The nearly 10,000 square foot home includes unique details like the master spa and coffee bar, rounded balcony, professional grade kitchen, outdoor living space, incredible basement bar, wine room, and theater room.

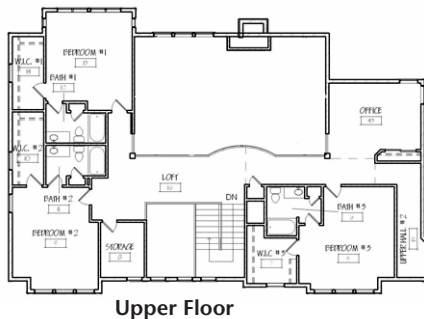

Main Floor

Working with Camden Homes, you can create your ideal living space, small or large, simple or extravagant, from start to finish. Our in-house designer and drafter can take you from an idea to a plan and then assist you in designing the best interior scheme for your lifestyle and personality.

Not only can we create a home from start to finish, we also specialize in remodels and additions. Camden Homes can take your current space from outdated to amazing by redesigning and remodeling your home.

Camden Homes has spec homes available in Spokane Valley's Brigadoon, Cheney's Golden Hills, and West Spokane's Canyon Bluffs. These homes encompass the attention to detail and quality craftsmanship that Camden Homes is known for. Visit www.mycamdenhome.com/available-now for more details.
